Buyer's comment:
"Living in Cameroon for a few month, I can say that internet payment and delivery between central Africa and Europe isn't an easy process. During it, the team of Oriental Instruments has been all along both patient and comprehensive regarding all the difficulties that internet transactions can imply, and was able to provide advice in order to deliver a good solution for both parties. Purchase with Oriental Instrument was been a delight, and I strongly recommend them.
Arthur M."
